

# YOU ARE MAKING THE DIFFERENCE!

## DEAREST FRIENDS

Wow, another exciting month! I really pray for each of you and thank you for your love and concern! Let me briefly tell you the reason I am writing this appeal.

“WE MAKE A  
LIVING BY WHAT  
WE GET.  
WE MAKE A LIFE  
BY WHAT WE  
GIVE.”

I don't usually 'do appeals' for money as a special thing, but I have changed my mind!

## I CHANGED MY MIND

because I recently linked up with the Australian Christian Lobby. Basically they help defend persecuted Christians in Australia and keep Australian Christians updated on anything coming on the political and societal horizon, that will impact them. They also fight politically and legally for change that will benefit Christians.

## AS SOON AS I SIGNED UP WITH THEM,

I received a welcome email, the next day I received an email asking for funds for their buffer of

A\$1,600,000 to use in case of legal costs defending various Christians. The next day I got an email about Israel Folau, the superstar Christian rugby player and his being persecuted for sharing Bible verses about homosexuals on social media. The next day I got an email asking for funds for the same buffer and so it went on (and on and on).

Being now a grumpy old man (at times), I was inclined to unsubscribe, but I just couldn't do that, because the news was so fascinating and the articles so interesting and affecting all of us Christians, not only in Australia. So, I am still receiving these emails almost daily!

I couldn't help but think. 'Well, maybe there are some people who really can stand being asked for money!' We at the AMMC\* and China Missions need finances, I need finances for ministry, and as American Pastor Andrew Wommack said, "all ministry needs funds!" So true.

## SO, HERE IS OUR AND MY APPEAL FOR FUNDS.

We want to raise £40,000 by the end of the year.

This amount is above the income we receive for our dear mission teams in many countries, who all receive a gift from us when their newsletters go out to you and are placed on the AMMC web site.)

I am attaching the March 2019 Newsletter from us which gives you the statistics for 2018 of our ministries. This way, in case you didn't read it you can see what the Lord is doing through the web site and the mission teams you support.

## 01 BUILD UP THE AMMC WEBSITE AS AN INTERNATIONAL VOICE FOR CHRISTIANS

What's the benefit of the AMMC website? This web site provides many free Bible studies -readymade to be used by any Christians for their Bible studies. We have about 30 fantastic free e-books available for free download. So far over 80,000 copies worldwide have been downloaded. We have over 70 live newsletters from mission teams around the world, and over 70 very inspiring blog posts on a variety of Christian and current topics. We hope to add to our two vlogs as well as increase other content, especially music. We post news from one of our mission teams straight from the field monthly! Only funds and time and the lack of a full-time worker have so far delayed us.

I believe this site is one of the best Christian sites to feed your soul, hence have tremendous potential. But we need a lot more investment in time and funds to fulfil this potential and make it a go-to place for people with a desire to grow in the Lord.

## 02 PODCAST AND YOUTUBE MINISTRY

Along the same lines, the Lord has been showing me to develop a YouTube ministry and a podcast. We don't have the funds or time presently to do this, and we lack the equipment we would need for the podcast. The potential for this to reach many hundreds of thousands of people is phenomenal of course, and as most of you know, we have a good message to bring! Praise the Lord.

## 03 CHINA MISSION BUFFER.

The time may soon come when strong persecution makes it impossible for us foreign missionaries to stay in the wonderful land of China. As happened between 1949-1953, the Chinese Communists deported ALL foreign missionaries (usually with 3-day notices to leave the country) and took over their churches, hospitals, mission properties and schools for their own purposes.

A good book to read about this is the great story of Jeanette Li the Chinese evangelist,

(yellow cover). One of the most moving and inspiring mission books you can read. You can find it on Amazon.

This situation will require a buffer to both help relocate people and help fund remaining Chinese Christians. We are currently just starting to build this buffer. Please help.

## 04 TUCOB.

T.U.C.O.B stands for 'The Underground Church of Britain. God willing, in 2020, we are going to start the first, as far as we know, underground church of Great Britain.

This church will be available as a fellowship to all sincere Christians, who wish to receive training and teaching about facing persecution, preparing for a future of persecution in the UK and other western countries, and learning the skills of witnessing for Christ in a dark society and how to live underground with all its many facets and valuable skills such as we have learned in China. (There will be more information about the requirements and benefits of joining TUCOB coming out this year on our AMMC web site Lord willing.)

# WE MUST BECOME THE CHANGE WE WANT TO SEE IN THE WORLD

“You are the light of the world. A town built on a hill cannot be hidden. 15 Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. 16 In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.

Matthew 5:14-16

## HOW TO GIVE

We are praying for either regular monthly pledges, or large one-off donations for our ministry. We have for example several people who donate £2 a month, some £5 and a few £50 or even £100 monthly.

We have one or two people who give a lot more in an annual gift.

Without all these generous people, we would not be able to do much for the Lord.

If you and your church or network of friends wish to give to our work it would be great and greatly appreciated. God knows and I believe He will never let you out give him!
