1. Decree for 2020.

**D**earest loved ones,  
A dear brother in the north of the UK sent me this 'Decree' last week, I find it excellent and believe that we can all 'partner' with this decree for ourselves this year. Don't forget that for a Decree to really work, you have to be obedient to the Lord. You don't need to be perfect but you need to have your own heart in good standing with him or ask Him to make your heart that way. I have put my power in your mouth to decree your way out of this year and into the new year, so listen to my voice. Hear what I am speaking, partner with my power and decree what the next 12 months will hold.

Write your own list of decrees with God, but here are some that He is decreeing for you to partner with:

### My Decrees

- I am decreeing 'Shalom – Nothing missing, nothing broken, complete completeness' over your family during this season. Expect unusual restorative miracles in relationships and joy returning to the family home.
- I am decreeing healing and rejuvenation to fatigued, inflicted and infirm bodies.
- I am decreeing a fullness of vision and a newness of vision – you will have a new vision for the days that are at hand and you will move forward knowing where you are going and how to get there.
- I am decreeing new strategic alignments with leadership, nations, relationships and partnerships that will help you thrive in 2020 and beyond.
- I am decreeing a restoration for people who have toiled their way through the last years to no avail; there are key blueprints that are unfolding before your eyes for new ventures, rebranding, employee changes and financial restructuring.
- I am decreeing that you will steward signs, wonders and miracles in your neighbourhoods, towns, cities and nations.

I learned an exciting lesson (again) this morning! It's this: the devil really doesn't want you to be happy. He wants to steal every victory the Lord is giving you. Here is an example and what to do about it.

I went to drop off my son at school as usual and it's the first day back today for 2020 at his primary.

Before Christmas, I had given a free copy of my book 'Shake off the Dust!' to the very precious 'Janitor' of the school, a wonderfully precious Italian man and devout catholic, I think. We lived in Italy before, so I also know somewhat of the hunger of some Italians for the Lord. This man is always smiling, He stopped me as I was returning to my car this morning, with an even big smile in his face, he said; 'I have got to page twenty seven in your book, I started a few days ago and I read a few pages each night just before bed, it's just fantastic! Did...did... Did...all those things really happen to you?' He was thrilled! I am looking forward to a deeper relationship with this man.

I left the school very encouraged that the Lord's message was feeding His sheep and encouraging their faith as this book has proven to do.\* I was really thrilled with seeing the hungry heart of a human soul receiving God's Word!

Within a few minutes I was on the road home just 10 minutes away. There was a road works and temporary traffic lights ahead, then, up behind me came a man in a hurry, he couldn't see the red light ahead and also didn't understand why I left a car's length ahead of me to allow a woman to cross over the busy A road from a T junction, as we were anyway waiting at a light. The man behind me started gesticulating and was obviously upset with me for not moving closer to the traffic ahead of me. I saw him writing down the web site displayed at the back of my car.

Oh, I could just see his irritated personality and I turned off to a side road at the first opportunity to protect my security. When I got home, I prayed about this and the Lord said: 'the devil doesn't want you to enjoy your victory even for 5 minutes!' he will always try to come along with an 'irritant' like this ungodly attitude man. I received the verse:

Galatians 4:28-30 King James Version (KJV)

28 Now we, brethren, as Isaac was, are the children of promise.

29 But as then he that was born after the flesh persecuted him that was born after the Spirit, even so it is now.

Those who are born of the flesh and not even born again, or those who are not God's people will always persecute us, and this has been very clear to see for me in the last year of 2019. It's everywhere!

I encourage you dear brothers and sisters in 2020, to rejoice in all the little miracles and things God does for you daily. Rejoice as much as you can, praise as much as you can, and be aware that those of the house of Cain, and those not of the promise, and so they will always be sent by the enemy to try to stop your rejoicing. Don't let them in your spirit and rejoice even for them, for they too are sent to strengthen you! My last year was huge continuous lesson about this one thing, and I know I did not pass the lessons all the time! This year I am praying God will help to see greater victories than ever before, in missions and in finances and in souls won and so many wondrous things for the kingdom of God. But at the same time, as a great pastor once said, the greater the victory the greater the battle! The more you are winning and progressing for Jesus, the more the devil will try to hinder you. Bind him up, in Jesus' Name, amen! Ask God to protect you from him as much as possible and only send such people along if they are really for your spiritual strengthening in some way. (Romans 8:28)

We pray you all have a victorious new year of 2020. Much love and our prayers
