A MIRACLE TESTIMONY OF AN ANSWER TO PRAYER FOR A BABY GOAT!

Melinda Orlet

As we are already in the Philippines, visiting some of my brothers and sisters (we are 12 siblings in the family) one of my sisters in Cebu city has a tiny farm of chickens, pigs and goats. She took our kids there to see her little farm. One of her goats is a mama goat that is pregnant and ready to have a baby in a month. When we were back home, the kids asked me to phone my sister to ask her if she can give us the baby of the mama goat once its born. So I did, and she promptly replied that she is very very sorry, but the baby goat that is yet to be born is already belonging to the caretaker, because one year it is hers and the next year is for the caretaker, and this time its his turn to have the baby goat. I thought that already settled with my kids, but apparently that night they all decided to pray that Jesus will help the mama goat to have two babies, so one they can have and the other one for the caretaker! The next morning they told me that they prayed to Jesus to help the mama goat to have two babies. Obviously, I did not really know how to react right there, but I told them that, “with men it is impossible, but with God all things are possible!” “For all things are possible to them that believe!” Matthew 19:26 and Mark 9:23. So that day, I told my sister that the kids prayed for her mama goat to have TWO babies! She couldn't stop laughing, but she was in a way sobered that such faith came from young children! But she told them that for sure the next time mama goat has a baby it will be theirs! And the kids said, the next time will be in a month! A month later, mama goat gave birth! And GUESS WHAT? She gave birth to TWO BABIES! We all marvelled at the goodness of God and His love for His little ones! He answered their prayers and honored their childlike faith! Praise God!

My husband and I are fulltime Christian volunteer missionary in the Philippines and in our present field of Brazil.

In 1989, we received a call to go to Brazil as our new mission field. We had 2 very young children at that time, Oliver 1 1/2 year old, Sofia 6 weeks old, when we moved to Brazil. The field, the people, the culture, the language, etc is as foreign to us as we are to them. But little by little, we learned to adopt and adjust and become one with the people, and soon we are travelling and moving from city to city doing the mission that God intended for us in this field! We had 6 more children born in Brazil! After 12 years of not visiting my home country and already having 8 children, my husband Richard had a burden of returning to the Philippines, so our children can get to know my home country, visit my family and continue our mission work there. So in 2001, we started our fundraising that lasted a year and in 2002, with a heavy heart, we said goodbye to our dear field of Brazil!

This is just a little background, so you understand where I am coming from with this miraculous testimony.
