

PERSONAL NOTE OF GOOD NEWS AND MORE GOOD NEWS- FOR YOU.

God bless you dear friends in the UK and Switzerland. I/ we have known many of you from as far back as 1996 and 1997 and a few even further back.

My personal news: Last summer (2021) the Lord showed me I need to retire from being the overseer of the AMMC (Association of Missionary Minded Christians), which I have been operating with help for 11 years now). I have kept that position to help raise funds for missionaries all over the world and especially in China and Taiwan. You have received monthly newsletters for many years.

Now I believe after praying quite a bit, that the Lord wishes me to do other things as I near my 68th birthday. I thank God I am still in reasonable health and plan by the grace of God to continue weekly articles for brothers and sisters, which some of you already receive 'Weekly Christian Focus') and pick up writing with my sixth Christian book, God willing, called 'The Wrong Day to Die!)

I also hope to continue the fledgling new project here in the UK of the British Underground Church (BUC).

PLEASE KEEP HELPING THE AMMC:.

The AMMC will continue, and the plan is (Finally!) to expand the web site www.missionarychristian.org sometime in the first part of the year 2022.

We have had hundreds of thousands of downloads of the free books, Bible studies, blogs and newsletters and other things. So, we can see that God has been using the site for many years to 'feed' many Christians from many countries.

Dear Andreas in Japan is an excellent brother who has worked with me for over three years and he is going to continue feeding God's sheep in this way.

So, the news that affects you is that we will no longer send monthly newsletters out by email or post, but they will be placed on the above web site. Instead, you will receive the free Weekly Christian Focus. (If you are not signed up for that simply email us via the web site and say, 'please sign me up for the WCF!' you will receive this every Sunday, by God's grace.

I attach a couple of samples of previous editions for you! Please also tell all your friends about the Weekly Christian Focus so they can get copies also. Thank you.

I hope all this is inspiring for you and that you will pray for all the points in this news you are reading. Thank you for continuing financial support and prayers and we are also praying for you on a regular basis.

I am happy to hear from you my email is

Finally, someone, Andreas or myself, will be in touch with you as soon as the major changes go ahead with the above web site, however here are still tons of things on it now which we pray you enjoy.

We love you and appreciate you. May your 2022 be a hugely blessed one with Jesus! Amen. Love Jerry
