

Dear ones, 2019 is proving to be another year for us of many travels! God calls to us to go and we follow, we move continually and moving is like dying, and it's also like living a thousand lives! So we keep moving for God spreading the Good News as we go! We are not really exiles from home, we're on our way Home, we just haven't gotten there yet! "These all died in faith, not having received the promises but having seen them afar off, and were persuaded of them, and embraced them, and confessed that they were strangers and pilgrims on the earth. But now they desire a better country, that is, and heavenly: wherefore God is not ashamed to be called their God: for He hath prepared for them a city"! (Hebrews 11:13,16) "For here we have no continuing city, but we seek one to come!" (Hebrews 13:14)

# VISITS IN AUSTRIA, GERMANY AND THE PHILIPPINES

Having a large family and spread out in 3 continents, we had the opportunity to visit some of them. Thru the financial help of one of our sister, it made it possible for this visit and do the mission work in the Philippines!

Theresa our 4th, with her beautiful daughter-Diana, who turned 1 year old in Austria!

Cherish our youngest girl, with her boyfriend in Austria.

Eunice our 3rd, just moved to Germany and we visited her boyfriend and his parents!

Noel the 7th, in Brazil, recently with his team won first prize for the National Social Entrepreneurship project!

Jerry with his beautiful girlfriend Karine in Austria!

Oliver our eldest with his siblings, Jerry with his beautiful girlfriend Karine in Austria!

Montel our youngest, with dad in Austria!

Spending time with my sister Emma 69 years old, in the early morning sun at the beach in Mac-tan, Cebu city, as she soaks her feet in the sand. She suffered a stroke and left her right foot para-lyzed for sometime and now she is slowly able to walk again, thank You Jesus for the power of pray-ers and His healing touch!

“For unto you that fear My Name shall the sun of righteousness arise with healing in His wings!”

Visiting our daughter in Cologne, Germany, we met a german couple in Le Moisso-nier restaurant ( owned and run by very sweet parents of our daughter’s

boyfriend) cele-brating their wedding anniversary. Conversing with them, they told us that they’d visited Belem, Para, Brazil for 10 days! They heard about the violence and robberies so they hired a private guard and they enjoyed very much their visit!

Since our trips were sponsored, our tickets were the most economic, thus sometimes long layovers, etc., and in the process we met new friends at the airport, like this sweet Filipina at the Toronto airport. She works as a cleaner and shared how hard it is for her to leave her whole family behind to get this job! With tears in her eyes, we prayed together for the Lord to bless her sacri-fices and give her the grace and the tenacity to endure and a thankful heart that she has a job! And for God to watch over her family in the Philippines!

On our way to the Philip-pines, we had a 12 hour layo-ver in Seoul, South Korea! We must say, the best airport service because they give a free tour and guide, and free lunch! It is interesting to find out that the country is 28% Christians, 16% Buddhists and the rest has no affiliation! The Korean youth love music and dancing. And we had met a few travelers like us and had

“HE THAT WITHHOLDS, IT TENDETH TO POVERTY.-BUT HE THAT SCATTERETH ABROAD, IT INCREA-SETH!” Proverbs 11:24.  
That’s the way God is: He loves to outgive you, and He’ll never let you outgive Him! The more you give, the more He’ll give you back! But if you are not willing to give it, God’s apt to take it. If you won’t give Him an offering when you can, He might take a collection which will far outweigh what you could have given! Like with the rich man in the Bible who had such a big harvest and so many riches: instead deciding to share with others, he decided to build bigger barns to hold more for himself! Luke 12 It wasn’t the big crop which God gave him that was his sin. His biggest problem was his selfishness, the barniness of his own soul.– And all the things that he didn’t want to share with others, he couldn’t take with him, he lost it all! That’s the way God does it, that’s selfishness and its reward. But if you are willing to give, God will reward and repay and bless you so much more that wont even be able to hold it all! He’s promised that! Malachi 3:10. Which are you doing? Withholding?—Or scattering! “With the same measure that ye mete with-al, it shall be measured to you again!” Luke 6:38.

With the tremendous help and financial support of our precious friends, the Lord helped us pull through with our project of giving basic food items consisting of 16 different kinds to 65 families and some toys and clothes to over 100 kids of poor families mostly located around our neighborhood! We also were able to give them all a nice snacks, a set of posters in book form teaching kids good morals and right conduct! We also were able to give to 6 faithful garbage collectors each one a food bag for their families!

In a little bairro of Curuca, as few hours away from Belem, we helped our mission friends dis-tribute bags of food items, clothes and toys etc., to poor families. Our son Jerry, participated as well and had fun with the kids playing soccer with them, distributing pairs of flip-flops, etc. We got to sing a few Christmas carols, distributed Christmas message to young and old! It was a whole day event as we hop from one place to another but it was worth the work and the sweat of seeing in the eyes of each kid and young people the joy of knowing someone's had thought of them this Christmas and that God has not forgotten them!

**BY PRACTICING THE GRACE OF SHARING, A PERSON IS STORING UP TREASURE FOR HIMSELF! GIFTS ARE INVESTMENTS!"**

After our Christmas project, towards the end of the year, we launched our missionary journey to different cities and towns of the state of Para and Maranhao. Sara and I travelled for the duration of two weeks on the road travelling by faith trusting our dear Jesus to supply our accommodations, etc. We've visited many of our Activated subscribers and met new ones! We had prayed, studied God's words together, shared testimonies, fellowshiped, etc. "And daily in the temple and in every house, they ceased not to teach and preach Jesus Christ!" Acts 5:42.
