The UK's Network of Underground Christian Believers
preparing for the Future.

JULY/AUGUST 2022

WELCOME

Praise the Lord. This month saw the establishment of our first Underground Cell in a northern city of England. Four of us met in a church who kindly allowed us to meet. We spent half a day getting to know each other better. Everyone who attended is a genuine dedicated servant of the Lord and 'serious' about reaching others with His Message.

We spent time praying earnestly, sharing a bit about ourselves, and sharing about our gifts and talents in the Lord. We sang and read some of God's word, and later discussing in some depth the goals of the BUC. (See below). We shared some thoughts about the state of the country and its direction and what we could do for the Lord about it.

We were joined online by dear Mr A our precious Graphic Designer in East Asia, and our lovely BUC Secretary Mrs I in Europe, God bless her. This was a blessing for them to speak to all of us and see them as they shared who they are and introduce themselves.

Before we knew it, it was time to go, and we realised next time quite soon we would take a whole day to continue to see how we feel God is leading us in the north and how to help each other to serve the Lord better. I can truly say everyone was very inspired and excited and

Other News

Just about the same day 5,000 new Gospel tracts arrived which we will all be using probably to reach people in our respective areas.

There will be other meetings over the next few months, God willing again in the North and also in the Midlands, and possibly in London as we meet up with precious Christian brethren who can see the 'Handwriting on the Wall' and ask God for His Guidance how to prepare to best do His will in the UK and beyond. A big thanks to Mr L who though unable to attend online, we hope to see and benefit from his wisdom and music in the next meeting.

Main core goals of the British Underground Church (B.U.C.)

01

To prepare British and Western Christians practically and spiritually etc, for the possible coming violent and other serious forms of Persecution against them here in the UK.

02

To teach Christians how to 'live underground' where necessary and appropriate, and be successful for Jesus Christ in the future

03

To strengthen Christians in their prayer lives.

04

To reach the younger generation of the UK with the message of hope, The Gospel.

- To also focus on winning the elderly to the Lord in a concerted effort here.

05

To help us all be more 'Global Christians', focused on fulfilling the Great Commission Christ gave us.

06

To strengthen Christians in their knowledge of the Word of God.

07

To strengthen our overall relationship with the Lord.
