IMAGES OF THE NEW WORLD ORDER.

Number 61

I was recently with one of my children in the town of Malvern in the Midlands of the UK. We had gone there to climb the scenic hills above the town on a lovely sunny/cloudy day.

On our way down in the car to return to our city, we had to drive through the upper part of this historic town, famous for its private and wealthy schools and its spa and bottled water. Rounding a corner, we came upon a sight very similar to this image above.

The whole small town of Malvern had suddenly become a Testament to Homosexual and LGBTQ+ pride. Apparently, the town council had voted to glorify their town with these symbols for a fixed period of time. **Seeing all this for the first time** 'in your face' was a revolting experience for me personally, and had it not been for the presence of a small child in the car, I may have got out of the car and begun prophesying!

And perhaps been stoned or something of a similar fate.

I reflected on this event later by myself that evening and although it was exceedingly grievous to see these symbols and to understand that the goal of this movement is to inflict this image and their culture upon as much of the world as they can. They are not satisfied to 'enjoy' their own culture, but rather in their case they have to proselytise it fervently in every place they can.

Both God and the Devil and humans use images. Images have power over our brains. (See links below.) I believe I felt by the Holy Spirit that just like the Nazis had images for themselves and against Jews and others, that the coming (already here) New World Order (Government) is intent on putting their images all around us so that we are literally forced to view them as often and repetitively as possible. I thought also that we as believers should be highly aware of this

fact. We should also pray for God to roll them back, or at least out of our minds.

The Media is always so happy to endorse and affirm all this new activity of various NWO images. If you don't go along with it as a newspaper, journalist or TV or network you will be cancelled by the backlash of tyranny from their communities.

If you had the audacity to say, 'the emperor has no clothes'**, or 'this is wrong', or 'I don't agree we should have this in our town', you would in some places now

be facing arrest, losing your job or imprisonment. These are the realities that grow stronger each day.

Other images

I came across this video of this actual metal bull paraded at the beginning of the 'Commonwealth Games' this week. The video is no longer on YouTube but this link may help you find the original commentary by this Christian leader explaining that this is the image of Baal. This fascinating video (link below) has two audios on it, one is the BBC presenter explaining that this bull is an image of peace and love and will 'be revealed as an iconic symbol of light'. You see the people actually worshipping it in the video. The other audio slightly louder is the Pastor explaining this is Baal's image. Of course, the media has explained it has a simple meaning of freedom from slavery etc, but if you listen carefully to the commentary the BBC are spewing out, you will hear the text can only be applied to a Deity!

Things to pray for: May I suggest we pray for the Lord to raise up people to push back

against this march to the end so we can have as much time to bring the Gospel to the end of the earth. These people God can use don't even have to be Christian they just need to be people whose 'spirit the Lord stirred up'. (Haggai 1:13-14)

- That God gives us all a lot more conviction to resist the enemy in spirit and when the time comes in other ways.
- That we ask God ourselves what we should do and say about these 'images in our faces' all the time. They will only get more and more as times goes by.
- The Devil is already preparing the world for his coming and the coming of the anti-christ. Many more images are going to come, and some are already here, but in this edition, we are just talking about these two today! Once the people become accustomed to all these various images it will become the norm, and non-acceptance or respect for these images will be looked on as abnormal behaviour.

es that describe Jesus' return. It will be with signs and images in the sky, thunder, lightning, trumpets, brilliant lights from one end of heaven to the other.

Matthew 24: 29 "Immediately after the distress of those days

"the **sun** will be darkened,

and the **moon** will not give its light;

the **stars** will fall from the sky,

and the heavenly bodies will be shaken.'[b]

30 "Then will appear the **sign** of the Son of Man in heaven. And then all the peoples of the earth[c] will mourn when they see the Son of Man **coming on the clouds** of heaven, with power and **great glory**.[d] 31 And he will send his angels with a **loud trumpet call**, and they will gather his elect from the four winds, from one end of the heavens to the other.

Yessiree, that will be a time when the images of man will all be burned up before the Glory of the Coming of the Lord. That will be a whole planet experience. No longer will we have these flags and images and bulls (baals) and other human and demonic debris over us or in our faces, but we will be "image-free" except for the Image of Jesus Christ!

Until next week, God willing
