"ANTICHRIST"!

THE ANTICHRIST PART III WHAT DOES HE ACTUALLY DO?

Greetings! Praise God, we are now getting into the last two editions of the Antichrist. This is a subject that many people are unclear about, and even Bible scholars still don't know everything! What we have been trying to do in this series is to lay out what we know or think we know, and perhaps in the final edition next time we will summarise in one package all that information.

In this edition we are hoping to share about these points:

1. The Rise of the Antichrist and his 7 year reign
2. What does he actually do?
3. What is the Abomination of Desolation?
4. Where does the AntiChrist come from?
5. How does he meet his end?
6. Supporting scriptures, for both the practical and spiritual understanding of the AntiChrist.

In a nutshell, here is a very short synopsis of his reign on earth

"This world Dictator, known in the Bible as the Antichrist, will rise to power through a seven-year Covenant or Peace Pact; during the first half of his seven year reign, the World will think that he is wonderful, as he will have brought some semblance of peace, and restored the world's economy. But

suddenly after three and a half years, he will break the Covenant, abolish all traditional religious worship, and declare that he himself is God! Plunging us all into a period of Great Tribulation, the most difficult days the world has ever known."

Now some of that may seem unreal to you, or like you may never have heard this before, so let's try to break it down in this edition as simply and yet as comprehensively as we can!

The world today is really waiting for a superman, a god-man who can fix all these awful troubles we face and see around the world and even in our own countries. Most of us know what they are! The former General Secretary of Nato, Paul Spaak said,

“We do not want another committee, we have too many of them already.

What we want is a man of sufficient stature to hold the allegiance of all peoples, to lift us out of the morass into which we are sinking. Send us such a man, be he God or the Devil, and we will receive him!" (links below)

And that is exactly what they are going to get.

1. The Rise of the Antichrist and his 7 year reign

There are two important ways to look at the AntiChrist. One is through what he does physically

and practically, and the other, even more vital, is to see him in the spirit world as Scripture describes him.

We will share scriptures further below on the second part, so let's begin with his rise to power and the backdrop in the world.

The AntiChrist is a human at this point, as he begins to start to take over the world. He has risen to world power probably through the mechanisms the world already has in place, like UN, WEF, secret agreements and so on and of course, wars.

We are not sure yet how his rise exactly will be. But he gains power over a large chunk of the world. We have to remember that at this point in time, that the world is already in such turmoil,

what with its Middle East problems affecting billions of people globally, and which really are the root cause of so many problems and alliances

in the world

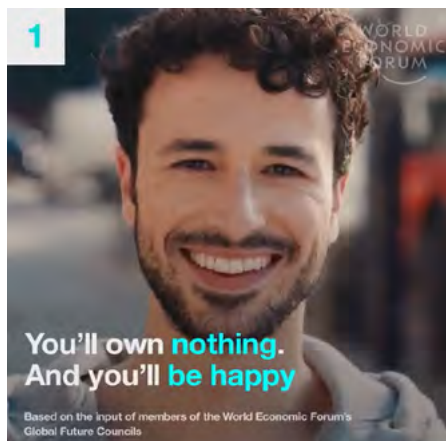

Then there is the economic situation which is about to fall off the cliff and powers- that-be of the West especially desperate to hold their work of the last 50 years together to some degree, he will come in and offer supernatural solutions that will appear finally acceptable to many leading nations.

They (leading nations and others) grant him power and authority to rule at least their parts of the world. He will become in a short time a powerful one world king or as he is called many times in Scripture; 'The Beast'
Here is an example of this type of negotiation and agreement, we can see here:

Revelation 17: 12 Also the ten horns that you observed are ten rulers (kings) who have as yet received no royal dominion, but together they are to receive power and authority as rulers for a single hour, along with the beast The AntiChrist).

13 These have one common policy (opinion, purpose), and they deliver their power and authority to the beast.

In fact, the AntiChrist already has so many people here on earth that think the same, and have been rapidly pushing towards that goal, which is world unity, world government, no more wars, one economic solution for all ('You will

own nothing and be happy'). The equality of all, freedom of movement and economic potential. The rise and importance of AI, 15

minute cities, the colonisation of Mars, the development of the human mind and body so it can 'blend' with machines. The sacrifice of children, and Luciferianism, Well, this has all been going on increasingly for decades now, so the Antichrist, whom many believe is alive and active NOW, already has this huge ocean of support for a global government.

It is obvious from the Bible that the AntiChrist is very astute and 'gifted' in making compromises with others and achieving his goals. Ultimately though he is the leader of one country at the outset of his 7 years reign.

Many Bible scholars believe that the 7 year reign of the Antichrist, is the final 'week' (or seven years) spoken of in Daniel chapter 9. This is a totally separate study to understand about all these 70 'weeks' which are in reality 70 X 7 years or 490 years of world history. So the Anichirst only rules or has power for 7 years of human history.

Daniel 9: 27 And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate. (KJV Bible)

When I first learned all this at age 18 and 19, it took some getting used to all the different Biblical words, like abominations, desolate, oblation to cease etc, but this was so important that Jesus spoke about it clearly in this verse in Matthew 24!:

15 When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:)

so to paraphrase this verse in Daniel 9, and what Jesus said together, it would go something like this:

the Antichrist will confirm some type of (Holy) covenant with many people (nations/regions) for 7 years. Some form of religious sacrifices and oblations begin (probably in Jerusalem, more on that later). In order to spread his own plans and destructions he breaks this (Holy) Covenant after 3 and a half years! He sets up instead in this temple an image possibly of or representing himself.

It is at this point that Jesus tells us the 'Great Tribulation' will begin. A period lasting the second 3 and a half years of man's history before the return of Jesus Christ Himself! Because Jesus Himself said, when you see this abomination of desolation in the Temple (in Jerusalem) (Matthew 24:15) THEN shall be (gin) The Great tribulation.

Matthew 24: 21 (Jesus speaking) For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. 22 And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.

So to simplify, we can say that the first part of his reign will be comparatively peaceful, while the last part will be absolute mayhem

and destruction and many wars.

Christians are not going to be spared this, as this is totally clear

in Matthew 24. and also Jesus said IMMEDIATELY AFTER THIS SECOND THREE AND A HALF YEARS He will return in Person and that is the rapture. So you should pay great attention to the timeline which is in Matthew 24 and is best described in the King James version (KJV) of the Bible. It is so important I am going to repeat it again here. Please note the words; When Then, Immediately after and again the word Then in the verses now:

15 When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:)

21 For then shall be great tribulation, such as was not since the beginning of the world to this

they shall gather together his elect from the four winds, from one end of heaven to the other.

This is all to me crystal clear. The placing of the abomination in Jerusalem begins the last 3 and a half years of man's rule on the earth in the person of the Antichrist. This then begins the GREAT TRIBULATION! At the end of those specific 3 and a half years (or 'forty two months', or 'time, times and half a time'), Jesus Christ will return and the whole world will see that happen. There is clearly no rapture for Christians until after the Tribulation, and this is borne out in several other verses as well.

- He is going to make war on Christians especially for 42 months.
- He is going to abolish all religions, except the worship of himself.
- He has a buddy called the 'False Prophet', who develops the physical, spiritual and global worship of the 'Image of the Beast'. Anyone not 'worshipping' this image will be killed

time, no, nor ever shall be.

22 And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.

29 Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken:

30 And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory.

31 And he shall send his angels with a great sound of a trumpet, and

2. What does he actually do?

As we discussed in previous issues, the Antichrist does a lot! Here is a list of some of the things he will be doing when he gets the power in full.

- He is going to take quasi global power by flatteries and cunning and deceit.

- The AC via the false PROPHET also institutes a global system by which no one can buy or sell unless they have the Mark, or the Name of The Beast (AC) or 'number of his name' Now many Bible scholars believe we are almost at this point now with the rise of digital purchases, and some countries have already begun putting chips or some form of mark into people's hands to buy and sell. So the system in its infancy perhaps, is already here!

- The Antichrist will invade Israel 'from the north' and take over possibly making Jerusalem as his global capital at some point.

- Some Bible scholars believe that America may at this point be partially destroyed as they believe the USA could be the Great Whore of Babylon spoken of in Revelation. A pre-emptive or nuclear strike of some form could be possible during these seven years.
- Many Bible scholars believe the AntiChrist, who is human, will be personally demoniacally possessed by the Devil himself in these last years. Remember, that Satan, has always wanted to control the entire world and he has controlled parts of it throughout history, various countries, cities and regions have fallen under his power in the past. (We hope to do a WCF) about this.

3. What is the Abomination of Desolation?

Something so vital to scripture that even Jesus spoke distinctly about it, he called it 'the Abomination of Desolation'? Daniel also talks about desolations and powers that desolate. Daniel 9:27 and for the overspreading of abominations he (The AntiChrist) shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.

Well, we know that may not seem clear to a lot of people, so by God's grace we may look into this in another issue. The AntiChrist has powers possibly unknown before and perhaps even unknown to us at the moment. These powers will desolate, 'even until the Consummation'. The Consummation- this word according to other translations actually means the final end of things, which in this case is the final end of the Antichrist himself. As we explain in this last translation:

one who makes desolate, until the full determined end is poured out on the desolator (The AC). (Daniel 9:27)

So this Abomination of Desolation is an image of some form, an image of the Beast and it will stand in the Holy Place in Jerusalem at some point in the middle of his 7 year reign.

4. Where does the AntiChrist come from?

He is called 'The King of The North' or Gog and Magog in the Scripture. Many people believe this is Russia today.

5. How does he meet his end?

According to several verses, The Antichrist is destroyed by Jesus Christ Himself in the final great battle shortly before the Millennial reign of Christ and his saints begins. This is a marvellous picture in Scripture. Like so many great dictators in history, who have really been prototypes of the final AntiChrist, he meets his end also in great defeat and destruction.

6. Supporting scriptures, for both the practical and spiritual understanding of the AntiChrist.

You may have noticed a distinct lack of Scripture in this edition! This final section we are going to save for another edition which will cover all these supporting scriptures in these categories we have covered today. There are a great many, and I pray they will help you go deeper into the Word of God concerning this vital to understand topic, or at least understand as much as the Lord wants us to know.

Sometimes God does not tell us every detail for various reasons. Sometimes it may just be too terrifying, and some times we don't

need to know.

Until next week, and God bless you

If you think that not being able to buy or sell without a mark is a far fetch conspiracy remember that the precedent has been set recently when people opposed an experimental medical mandatory vaccine and subsequent boosters. We must not forget the masks mandates and lockdowns.

In today's world you can be fired, have your bank account seized or closed and be doxed for expressing ideas that are contrary to following dogmas among others:
