

NOTE ABOUT THE WEEKLY CHRISTIAN FOCUS WCF

Dearest friends who are interested in our weekly articles. You will be pleased to know we have just completed 130 articles or 2 and a half years of them!

This has been as big a surprise to us as it may be to you! I don't think we have so far missed a week, which is truly miraculous and shows God's sustaining powers and prayers from many people.

I am writing to you because by God's grace we are continuing in this project and we wish to ask our closest friends for advice, thoughts, feedback and prayers for our ministry going forward.

For example:

- **How do you think we could bring the WCF to a greater audience globally?**
- **Is there anything the WCF is lacking or could do better on, as it stands at the moment as designed weekly article?**
- **Would you like to see us add or move into Podcasts, and YouTube and share the messages of the WCF this way?**
- **What kind of messages do you wish to have more of, or less of, or others that you think we should/could be doing?**
- **Do you have any other thoughts or feedback and suggestions and prayers?**
- **We would love to hear what are the titles or numbered edition of your favourite five WCF articles that you have read so far!**

On our side, we may be working on the following, although this may be slower than we imagine:

- Creating a web site for the WCF
- Finding two part time yet dedicated secretaries to develop WCF in the African and Afro/Caribbean world and also the Western world.
- Looking at Podcasting and YouTubing
- Connecting a lot more with various like minded Christian and other websites around the world.

Many thanks to you. I am wondering if you could reply by email (wcf@nym.hush.com) to this message within the next two or three weeks maximum. This way, it will help us to pray more and plan for 2024.

Finally, If any of you feel inspired to give any of your talents and skills into this ministry and become part of our team, please do let us know. We need every bit of energy, skills and spiritual gifts and finances people would like to share with us.

Many thanks for your prayer and comments.

Love Jerry and Andreas.
