

A close-up photograph of two human fingers, likely index and middle fingers, positioned side-by-side. Each finger has a simple, hand-drawn face on it. The faces have two large, round eyes and a small, dark, circular mouth. The fingers are pointing towards each other, and the drawing is done in black ink on the skin. The background is a plain, light-colored surface.

4. That certain nations especially

- The partial or total collapse of the USA and some western nations as explained in our WCF edition 'The Great Falling Away', totally or more than partially, and the ramifications of that,
- The economic crashes that are about to hit us,
- The partial/full breakdown of law and order in some countries.

- Jesus knew it was very important

the UK and parts of Europe will be ethnically cleansed unless its native peoples fight back against the ruling politicians.

5. The Kings of the East of Revelation 16:12 must at some point rise up. (we will discuss this in another edition)

6. There does exist something called 'The Global Elite'. There does exist a group of men and women who are organised and directing many events behind the scenes in many countries. Some of them have been doing this for decades. Their goal or those who are really at the top of this are wanting to bring in the Antichrist and his world government, which it seems they are very close to. We should really call them Luciferians as this is a better and more accurate name for them.

7. we know that possibly the majority of the world's population has not yet really woken up to these truths.

8. Food in many countries may become very scarce in the years ahead. This is also a goal of the Luciferians.

First set of internet links: (articles and videos) covering topics such as: The Global Elite, Luciferians, the collapse of the UK and a Christian view, Corporations, China and Iran and Russia cooperating, Russia/Ukraine conflict, government control through immigration, Climate change, safe places, Trans-genders at the Olympics, The Vaccine and Japanese scientists, Mad at the the truth.

This particular edition is primarily more than ever, presenting what we think and believe or are discovering ourselves, and we hope that over this next month that you will indeed look through all of these internet links in a spirit of prayer and faith.

I do know a few people that are experts on the global elite and to save my time here are some links so you can find out more about them. We need to know a lot more about them. Some of this may be

offensive if you are hearing this for the first time. These links cover many countries, not only the UK.

This is an excellent take on the situation in the UK by a Christian man with a great message and explanation. Please watch.

Which Corporations Control the World? - International Business Degree Guide (internationalbusinessguide.org) We are not saying that all the companies listed in this bulletin are part of the 'Global Elite' but some definitely are! I remember reading an article only a few years ago which explained and named the 130 companies, I think it was, formed the global elite which was bringing in the New World Order.

[Gravitas Plus: China, Iran & Russia to create a new World Order? \(youtube.com\)](#) We don't yet know who the Kings of the East are mentioned in Revelation 16, but it is interesting that Eastern nations along with even India have strengthened cooperation in oil, military manoeuvres, and other mutually beneficial agreements which are still ongoing. Here this video from an Indian news channel spells it out in more detail. This is Indian English you will be listening to! (9 minute watch)

we strongly encourage everyone to listen to everything this great man has to say. His knowledge and wisdom regarding geo-political affairs from this retired US Colonel is truly as far as we can see, second to none. He also in other videos explains the truth about the Ukraine-Russia conflict.

this conflict. Here this wonderful man tells the objective and clear truth about this conflict, Russia's mindset and the probable fall of the United States over the long term. I believe this video is 2 hours long.

'Manmade Climate Change' Narrative Completely Fabricated, Study Warns

By Frank Bergman - August 11, 2024 - 11:51 am

A recent study has concluded that globalist claims of "manmade climate change" are completely fabricated and have no basis in reality.

[Which Countries Are Not a Part of the Great Reset? \(youtube.com\)](#)

This is a 19 minute video from this economist or wealth manager. He is sharing some information about which countries may be possible to live in. If you have a lot of money and have the time, youth and energy to move from what you may consider a dangerous country, then this may be of some

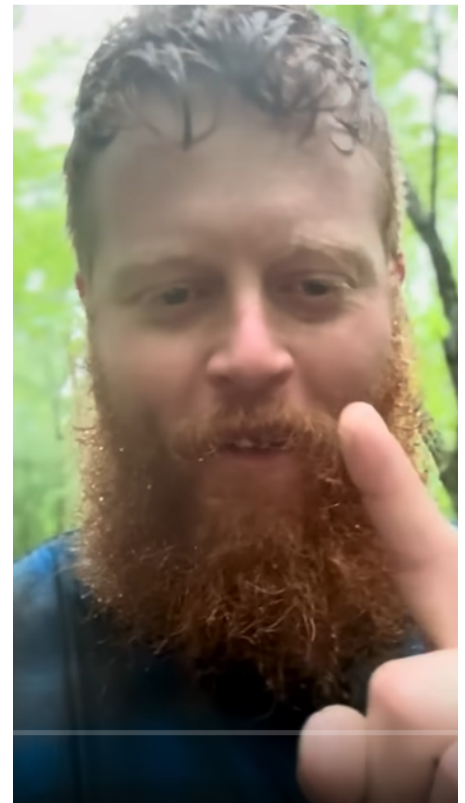

use to you. Or if you already have contacts in some of the countries he mentions. Otherwise, skip it.

You searched for Japanese - Slay News The Japanese, Koreans and other nations with their greater integrity, well scientists there have been exposing the terrible effects of the Covid 19 vaccines on increased heart attacks, miscarriages and premature death. If you were unfortunate to have had this vaccine during the Emperor's New Clothes period of 2019 to today, then you can at least pray and ask others to pray for you, as nothing is impossible for the Lord to keep sustaining you from its effects.

I know several people, all women, who nearly lost or did lose their jobs due to refusing to have the vaccine. Many doctors and nurses have been extremely harassed and coerced to go along with this 'pogrom' globally. The truth will come out in years to come. There is even an organisation in the UK now, which has gathered the names of the primary people responsible for foisting this upon the UK population. They are preparing to take a series of legal actions in the future for something similar to what we today call 'War crimes against humanity'.

[You mad over the truth - Bishop Patrick L. Wooden - YouTube](#)

Pastor Wooden is one of my

favourite black pastors I enjoy listening to. He is both funny and very deep and most of all speaks the Truth. This is a bit raw, and not connected with all these current events, but he is talking about 'receiving the truth' and why some people can't receive it. (Youtube shorts)

In conclusion how can a normal human being transcend time and peer into the immediate future? By turning into God and His wonderful word for He alone is the great "I AM",

Amos 3:7

7 Surely the Lord God will do

nothing, but he revealeth his secret unto his servants the prophets.

AND HE SAID ALSO TO THE PEOPLE, WHEN YE SEE A CLOUD RISE OUT OF THE WEST, STRAIGHTWAY YE SAY, THERE COMETH A SHOWER; AND SO IT IS. AND WHEN YE SEE THE SOUTH WIND BLOW, YE SAY, THERE WILL BE HEAT; AND IT COMETH TO PASS. YE HYPOCRITES, YE CAN DISCERN THE FACE OF THE SKY AND OF THE EARTH; BUT HOW IS IT THAT YE DO NOT DISCERN THIS TIME?
