Dearest Loved Ones and Subscribers to the WEEKLY CHRISTIAN FOCUS! (WCF)

This is our 200th edition this week! March 30th, and we soon approach 4 full years of writing weekly articles based on Scripture and personal mission life experiences on May 25th, 2025!

- **Our team has now grown to four people;** one in England, that is me, Pastor Jerry, Erwin in Japan, Inge in Germany and our new precious team member Sharon, living near the USA/ Mexico border. Together, we speak about 12 languages and have been missionaries in various countries for most of our adult lives!
- **We hope you enjoy the weekly messages, which we really do pray and work hard on producing to feed God's 'sheep' around the world.** The Lord began this ministry four years ago in 2021 and it has been a very inspiring journey; we thank everyone for their feedback and comments and so many notes of appreciation from all corners of the globe, for so many of these 200 messages.
- **I attach a file which lists the first 3 years' worth of the titles of these articles.**

Going forward into the future. Our goals and how you can help.

Our Goals:

- We wish to reach as many Christian believers who we know would love these messages and that they will strengthen their faith and encourage them and help them to become all they need to be for Jesus.

- We would like to move also into a WCF YouTube channel shortly where we can put some of articles into a simple YouTube channel. By discussion or simple reading by one of our team.
- We are also finishing up two new books; one should be ready before June, and the other in the autumn 2025, by God's grace. All annual subscribers will get a free digital copy. These books are called: 'The Wrong Day to Die!' and 'Preparing for the Future!'
- We wish to offer the WCF articles in at least Korean, Chinese, and Spanish as soon as possible at least in text forms. Any volunteers, or know anyone who would like to help?

How you can help.

Where we are at today, April 2025

- We do, genuinely before the Lord, need financial support and also prayer. **All ministry needs funds.** We need funds for maintaining the web site, paying or gifting a very small stipend to two of our staff who are also missionaries in needy situations.
- We need funds for printing a few of these copies monthly to elderly people (in the UK) who are so thankful for them in the post.
- We wish to connect with initially about 50 other websites around the world who have similar thoughts and beliefs to us. And we may at times, reluctantly need to advertise in some places, hopefully not too much.
- In the last financial year, ending in two days' time, year I have personally put in £3,100 of my own funds as 'seed' to this ministry. None of our team makes any profit or funds from our work.

I, as the primary author of 199 of the 200 articles created so far, need a new or refurbished laptop. I thank God for the dear faithful Japanese Toshiba Laptop, which has done so well for the last 9 years! But it is becoming slower and slower, and even after some tweaks by various people, the time is coining to move on from this beloved machine!

How you can help.

I think the ways we wish for people to help us, if you believe in this mission, are the following:

1. Help us through your prayers and write to us and connect personally with us. Let us work together and pray for each other! E mail wcf@nym.hush.com

2. We are looking for godly people to donate finances monthly, quarterly, or even annually to our WCF Mission. These regular donations allow us to 'breathe' a bit, and see what the Lord wants to do in our work. We also believe you will benefit according to the multitude of promises in the Bible about Giving. **Please can you see the Giving options below.**

We hope to offer a Zoom meeting eventually. We are starting this soon for our small team and hope to expand this to givers and prayers for this ministry in the future. Please let us know if you are interested to be part of this.

Thank you for getting through this, as short-as-I could-make-it message!

Love in Jesus Christ,

Jerry
