

The coming civil war IN THE UK?

FOCUS

God forbid that I should boast.
Paul said that.

But there comes a time when
like Paul and Jesus, you
have to stand up and say '**I
told you before!**

**Many people today are
hearing about the prospect
of a Coming Civil War in the
United Kingdom.**

It's very frequent now and
people are taking sides and
giving opinions on YouTube
and in the media. Here we
are in 2025. The UK has been
taken over by the Globalist
elites and the Islamists. The
ethnic people are being side-
lined at every possibility and
hundreds of thousands of them
are leaving the country.

Why is this a big deal? It's a big
deal, because similar events
may happen to your country.

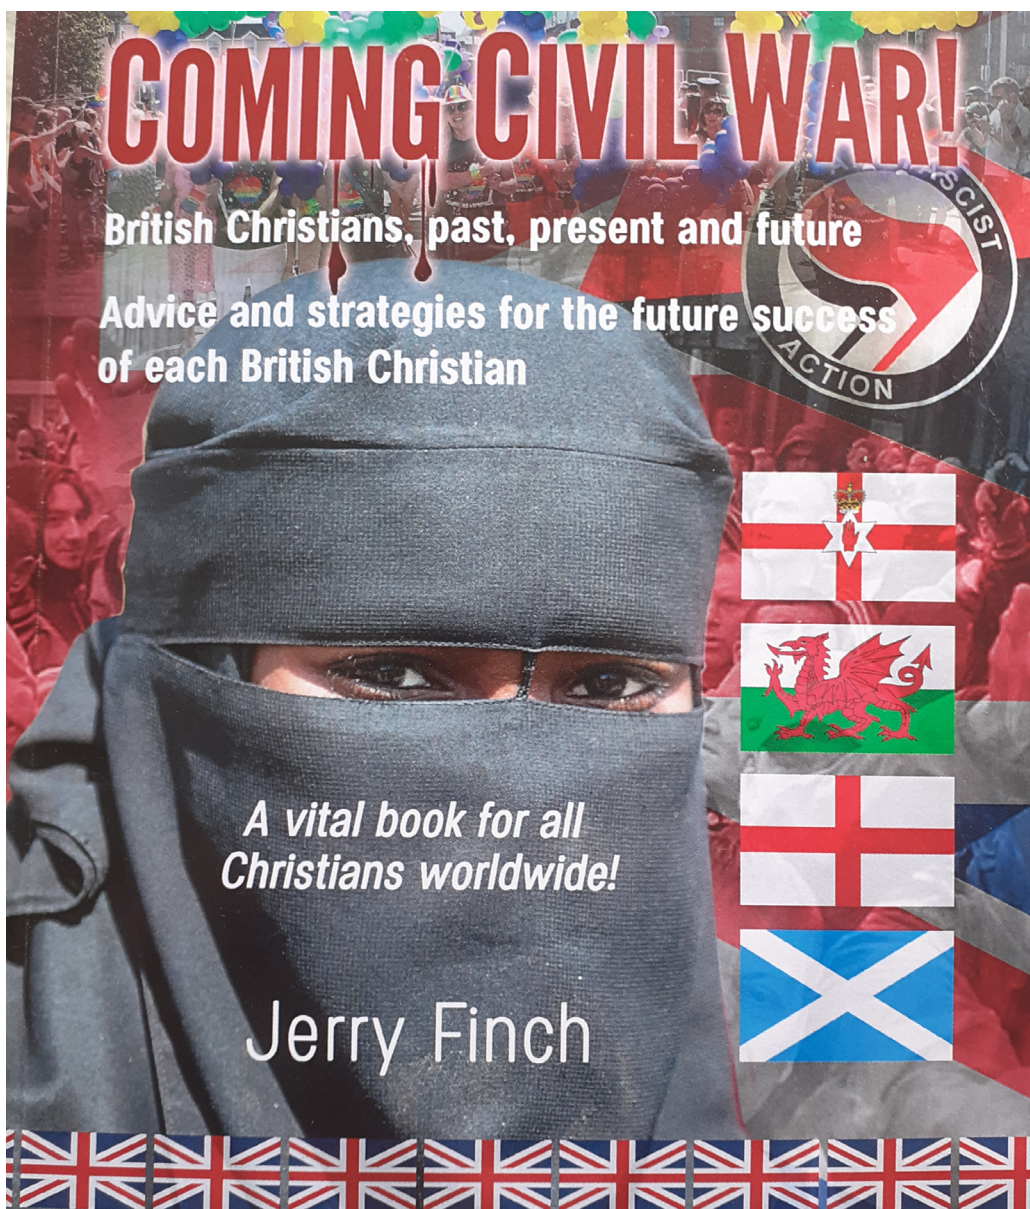

I predicted this possible coming
Civil War back in 2017. People
who saw the title of my book
laughed and mocked. **Here
is the original cover** which
was so so shocking to some
people they stopped being my
friends. The title of the book
is 'British Christians and the
Coming Civil War!'

*Here is the shocking front
original cover and two pages
from the book.*

What does 'Civil War' mean?

*The Civil War I am suggesting
began in ideologies long before
the Brexit vote long ago in
the UK in June 2016. It's a
war between Globalists, the
Luciferian New World Order,
and the counter reaction to
them of those ever-growing
European and British multitudes*

*who wish to recover their
identity as nation-states of their
own ethnicity. Having been
bamboozled and hoodwinked
almost unknowingly by both
British and other politicians for
many years, these multitudes
are simply reactionary forces
who are currently fighting an*

uphill struggle.

With the international Establishment's embrace of Islam as the tool to change the western demographic, it is plain to see both Islam and its Patrons will be the root cause of this ever-intensifying planet-changing encounter.

These minority groups congealing against Islam will increasingly see the need for organised violence in the face of European government's deliberate support for Islam over the original European populations including the white British Anglo-Saxon.

The big question surely is: how many people in the UK and the West will wake up to what is really going on, and what tactics will they choose to use, how willing will they be to be as extreme as we know Islam is prepared to be?

Another factor surely is, that in all this there will be significant choices to make for British Christians, which are: the UK will possibly plunge into intense violence across all areas, especially urban. Law and order is likely to break down possibly completely in some areas for an

unknown period of time. What should the British Christian do? (See later.)

As this scenario plays out, it is interesting to think how much and how willing are some of the white British (and other) police, military and other significant leaders at this juncture to break ranks in the real crunch time, with the rule of law in the UK and side against Islamic/ist violence? If that happens, even more division will occur and who could predict which way all that would unfold?

Certainly, the earliest rumblings are already making their way onto social media as you will see in this heart-felt description of our multi-racial society by a man claiming to be a British police officer. Of course, I do not know for certain if he is or not, but I hope you will view this before it is taken down, as I believe he at least represents some significant segment of British society.

Thank God we must say, God is ultimately in control; but it is entirely scriptural to think and believe that increased troubles, wars, invasions,

societal breakdowns, etc frequently come upon societies who have turned away from God, the Biblical examples are beyond numerous. Why should we think our society will be exempt? It certainly fits that description today.

The political class system is going to cause this civil war, just like it will come in Europe, through its muzzling of free speech and hamstringing the courts and police, some of which is already fulfilled as we speak.

Christians should prepare now by assessing their own spiritual and physical positions and situations and prayerfully appropriating any advice and strategies of section four of this book, as they feel it applies.

Civil War is not inevitable. War is not inevitable where you are. So much depends on our prayers.

Jeremiah 33:3 says: Call upon Me and I will answer you, and show you great and mighty things which you know not!

THE FACTS

****Is Diversity Really Our Strength?****

We are constantly told, "Diversity is our strength," a slogan repeated endlessly by politicians and mainstream media as an unquestionable truth. This narrative is used to justify the unprecedented and often uncontrolled mass migration to Europe, the United States, and other developed nations—a trend that has accelerated dramatically since World War II and now threatens to overwhelm native cultures and populations.

Mass immigration has increasingly been linked to rising violence, crime, theft, and public disorder.

After decades of this trend, it is worth pausing to examine the results. Jesus warned, *“Beware of false prophets, who come to you in sheep’s clothing, but inwardly are ravenous wolves. You will know them by their fruits.”*^{*} (Matthew 7:15-20). A good tree produces good fruit, but a corrupt tree produces bad fruit.

What are the fruits of mass migration? By its visible “fruits,” this migration surge appears to be yielding more harm than benefit. The evidence speaks for itself. Below is a collection of videos and articles documenting the widespread issues caused by this phenomenon—clear signs of the consequences, despite efforts to dismiss them as mere “anti-immigration” sentiment.

“7 A THOUSAND SHALL FALL AT THY SIDE, AND TEN THOUSAND AT THY RIGHT HAND; BUT IT SHALL NOT COME NIGH THEE.
8 ONLY WITH THINE EYES SHALT THOU BEHOLD AND SEE THE REWARD OF THE WICK-ED.
9 BECAUSE THOU HAST MADE THE LORD, WHICH IS MY REFUGE, EVEN THE MOST HIGH, THY HABITATION;
10 THERE SHALL NO EVIL BEFALL THEE, NEITHER SHALL ANY PLAGUE COME NIGH THY DWELLING.
11 FOR HE SHALL GIVE HIS ANGELS CHARGE OVER THEE, TO KEEP THEE IN ALL THY WAYS.
12 THEY SHALL BEAR THEE UP IN THEIR HANDS, LEST THOU DASH THY FOOT AGAINST A STONE.
13 THOU SHALT TREAD UPON THE LION AND ADDER: THE YOUNG LION AND THE DRAGON SHALT THOU TRAMPLE UNDER FEET.
14 BECAUSE HE HATH SET HIS LOVE UPON ME, THEREFORE WILL I DELIVER HIM: I WILL SET HIM ON HIGH, BECAUSE HE HATH KNOWN MY NAME.
15 HE SHALL CALL UPON ME, AND I WILL ANSWER HIM: I WILL BE WITH HIM IN TROUBLE; I WILL DELIVER HIM, AND HONOUR HIM.
16 WITH LONG LIFE WILL I SATISFY HIM, AND SHEW HIM MY SALVATION.”
