*Merry
Christmas*

Dear Ms X from the left, a wonderful Christian young lady from Asia, with so much potential for Jesus Christ; myself and son D. Standing outside the nursing home where my mother died at the age of 98, in the autumn of 2025. The hearse vehicle, containing the coffin is in the background, as we get ready for the 20 minute travel/journey to the burial ground in the South of England.

1. Summary of 2025 and what God has done. Happenings etc.

Continuing in the positive, 2025, was our fourth year of ministry, that is we wrote 52 continuous weekly articles, with no delay or missing a single week!! This is phenomenal.

Each week our little team prayed earnestly that God will give us the best and right message for people around the world. Here is a tiny fraction of comments we have received in 2025.

WCF 217 JULY 2025 TOWERS!

Thanks Jerry, ... for sending the WCF so faithfully. I appreciate the variety of topics and

Bible verses. I recently went back to this district of London for outreach, having not been there for a few years, and was amazed how the skyline had changed! These twin towers just popped up in such a short space of time it reminded me of the edition the WCF did on Towers. Much love to you all! Rod G London (December 2025)

Thanks for all the WCF's you've been faithfully sending. Thanks for the recent one on Towers--I never thought they had so much significance! And there are so many Bible verses on towers. I'm looking forward to the coming one on Wokefulness & what it really means, Rod G, London

WCF 223 SEPTEMBER 2025 CAIN AND ABLE LIVE ON!

Thank you

WCF 227 OCTOBER 2025 USING YOUR TALENTS

Wow Thanks Jerry, that's sure an encouragement.
Reinforces what I got some time ago about standing in the Temple preaching all the words of this life
And the Temple today is online.
John G. Manchester, England

That amazes me how you use your talents to be a witness and have so many positive 'likes' Sara, Brazil.

WCF 233 NOVEMBER 2025 LESSONS FROM MY MOTHER'S LIFE AND DEATH

Dear Jerry,
This last article was very encouraging and inspiring. It made me appreciate even more the time God gave me to care for my mother. It truly is a great blessing to be able to spend these years by her side and to know her so well.
I'm praying for you.
A hug from afar.
God bless you.
Love,
Lalo. (Peru, South America)

Dear Jerry,
God bless you! Thank you for sharing this letter with us! It was very beautifully written and very thoughtfully put on paper! Your mother sounds like quite a woman of God!
Love,
Robert and Mary

Wow. She's so blessed, what a miracle! For such a privilege to be with our Saviour and to finally arrive at her final destination!
Your article about your mum was so beautiful! What a legacy she left behind! The fruit of her labours, her tenacity to keep going. Thank you for sharing.
Sara, missionary in Brazil.

Hi Jerry,
I've just read the weekly bulletin. It was an interesting read and I like the honesty and the 'warts and

all' account. I was so sad to read of your parent's' divorce in 1971. I don't know how I would have coped with such an event at the age of 17. It would have knocked my 'A' level studies for six.
Mr V. England,

This is so touching and beautiful. Andreas, Japan.

Dearest Jerry,

It was touching to read the biography of your beloved mother, very touching.
It hard to lose your love one, but time is a healer, and with God grace he is with you every step you take.
Stay strong, Love Carol London

Many other reactions came in commenting about this truly moving edition, praise the Lord.

WCF 187 JANUARY 2025 THE BOOK OF JOB PARTS I AND II

Dear Jerry,

Thank you so much for the recent articles you sent. They are very inspiring and uplifting.
So amazing what people have had faith to do for Jesus. Very convicting!
Hope you are well. God bless and keep you!

E.L Tyneside

('E.L' is a great man of God, he has served the Lord and borne much fruit for decades. He recently went blind and contracted some form of virus. At first, many doctors expected all his 'vital organs to fail'. Through prayer of those who loved him and the Lord, he completely recovered, but remains blind at this moment in time. His loving family surround him and his global friends and brothers and sisters).

WCF 171 SEPTEMBER 2024 AGE OF GRACE AND THE ROD OF IRON!

Hope you & Daniel are doing well!

Thanks so much for faithfully sending in the weekly Focus!

I enjoyed reading one of the latest ones about the age of grace & the age of iron.
It struck me how blessed we are that Jesus not only came personally to earth, but
Offered an amnesty to all us sinners! If we come to Him & ask for forgiveness He will
Set us free from our sin & guilt.

We're all well here, doing our outreach & having our weekly meeting!

I sent a donation via PP to jerryfinchbooks.

Rod G, London

Hiya dear Jerry! GBY! Wow! This "Age of Grace and The Rod of Iron" article, in your latest WCF, is a winner and totally excellent!

Just wondering if you had thought about approaching (this radio station in Africa) and do an interview with them regarding this article? It's, info, much needed!

In fact, after reading it your WCF article, I was going to write to both you and the station in the same email, and say, "Hey, guys! Please do an interview on this topic!", but I didn't want to put you on the spot. Thank you so much for being such an amazing inspiration to so many!

With love and prayers always, Cath (North America)

Thank you for your messages.....so much appreciated. Xxxx My husband has a copy of one of your books on his bedside table for night reading.

The message we feel the Lord has told WCF for 2026.

Most of us know the western world and other parts of the planet are all on the verge of great financial crashes, or war or both! In these times, some of the churches of the world are fast asleep. It's our job to be ready in the Spirit, because Jesus said the Holy Spirit will show us all 'things to come'. John 16:13.

Our message for the New Year may be a few messages; but one of them is this: **'Be not conformed to this world, but be transformed, by the renewing of your mind, that you may prove and know what is the good and acceptable will of God'. Romans 12:1-2 and also Hebrews 12:1-2.**

This is the time to become even less 'conformed to this world', and even more heavenly and spiritually minded and obedient to the Word of God. This is something we must practice even more as the days are increasingly evil. If we can all make a greater step in this direction, the Lord will be even nearer to us and us to Him! By God's grace we will share more about this and other thoughts in early January 2026, God willing.

VISIONS AND GOALS FOR

2026

Our Team and goals!

Looking back, I have to say, that our team has weathered many storms, fortunately and overall, we all get along well with each other by the grace of God. Our main teams members remain as Jerry (me), Inge in Germany and Andreas in Japan. I have been working with Inge for over 15 years on continuous publications and with Andreas for over 7 years now. We communicate many times a week, and have a deep and longstanding love and respect for each other. Praise the Lord.

This year (2025) a new sister has become part of our team, this is Sharon who lives in Texas, and has a fruitful ministry in an orphanage in Mexico. She has recently helped us a lot in exploring the USA 'market', as we are looking for spiritually hungry pastors and Christians across North America. While Sharon does this she also has cancer, and this debilitates her frequently. We ask for prayer for her to recover according to the will of the Lord. It has been a huge blessing having her help this year.

There is an imminent potential to add a fifth person to our team in 2026, and that is dear David, a very wonderful and extremely positive witness for Jesus Christ in Sweden. We hope David will help us relate to a lot more people via social media and also through the dynamism and wisdom and power of the Holy Spirit the Lord has given him. Pray for this wonderful man and his addition to our ministry, thank you.

I have noticed though, without fail, that whenever a person becomes involved in our ministry in a deeper way, and that could be you awesome subscribers, and people who are supporting our tiny family and the WCF team, that they are all hit with new and unusual spiritual, mental or physical battles, obviously brought on by the enemy of Christ.

My team of three other people also suffered tremendous difficulties and attacks of the devil, even (this year) the loss of an adult daughter and many other both mental and physical trials.

As we attempt with God's help we do request prayer, because this is a very strong spiritual war. Thank you for your prayers and we also remember the same for you on a regular basis.

Dear wonderful Inge, our WCF and AMMC secretary for over 15 years, plus translator and Proof reader. Holding two of her youngest relatives!

Erwin (Andreas), our beloved article and web designer, shining for the Lord in Japan!

Closing thoughts and appeal.

Helping financially

The last two years have been the biggest financial challenges I have ever faced in my life. I am praying for regular monthly and quarterly donations from anyone who wishes to partake in our WCF work and invest in its future. God will lay this on your heart. Thank you.
