

WEEKLY FOCUS

MAY 21, 2021

This first edition is primarily covering the topic of being 'Separate from the World. This is a topic very dear to my heart. 'Easy to say, hard to do!' I pray you enjoy these links; we are not necessarily recommending every site we might feature in these mailings, but you may find some of the messages in some of these links very helpful, at least that's what we pray.

As the darkness covers the earth, the Lord will arise upon you and we know that we are of God and that the whole world dwells in darkness and wickedness. Be prepared. God bless you
