LOVING BABIES KILLING BABIES KILLING GOD'S MESSENGERS

Dear Friends, Warm greetings.

About two weeks ago, my dear colleague, and WCF secretary, Inge, sent me photos of her latest grandson, a day or two old in the USA. Of course I have seen a lot of photos of babies, but somehow I was struck by the face of this baby boy! I felt myself suddenly staring at the face of a future man of God! The unshakeable power of his eyes and expression struck me deeply as he turned his head sideways to look at the camera!

Where is he then, you may ask? Unfortunately, not being a relative, and the baby not being Inge's son, we have not asked for permission to plaster his face across the world. But this is not the main point I suppose. What it means is that here is a baby God has just brought into the world. I have heard his mother had been praying for some years for a good husband and a child, and the Lord eventually brought the answer in the form of a godly man and this baby, let's call him Thomas.

When God wants to change the world, he always starts with a baby! You barely have to search the scriptures before you find hundreds of examples, praise the Lord. Stop right now, close your eyes or think and many names will come into your mind!

Even right up to the Second Coming of Jesus Christ, I expect wonderful babies will be being born across the world.

LOVING BABIES

Then the babies, like Thomas, have to grow up, and that's the first part of this article; babies, babies growing up and us (parents) shaping and guiding their lives for the Lord, and loving babies and then children. Having the babies is relatively the easy part, although I am sure that some parents will raise eyebrows on that one! But raising them for Jesus is far more challenging and requires far more effort, wisdom, prayer and love and finances than anything else in life.

John 16: 21 A woman, when she is in labour, has pain because her time [to give birth] has come; but when she has given birth to the child, she no longer remembers the anguish because of her joy that a child has come into the world.

Matthew 18: 3 and (Jesus) said, "I assure you and most solemnly say to you, unless you repent [that is, change your inner self—your old way of thinking, live changed lives] and become like children [trusting, humble, and forgiving], you will never enter the kingdom of heaven.

Here are some parts of a sermon I found regarding children and raising them:

Jesus said 'Suffer the little children to come unto Me, for of such is the Kingdom of Heaven. We're to be like little children, loving, sweet, simple believers, in childlike faith, believing and receiving all that the Lord has for us!

Children are samples of the citizenry of Heaven! Little angels dropped out of the sky! They're so fresh from Heaven, they understand and are not in the least bit fearful when it comes to things of the Lord and the Spirit, and even spiritual experiences. It is given to children to be rich in Faith. Faith just comes natural to them. They are so fresh from heavenly places that they have faith to believe anything God says, and with them nothing is impossible.

Everybody has a little child in him; the problem with many grown-ups is that they know too much! They've been educated out of their childlike faith! But there are others of trusting childlike faith who are daily doing things that doubting intellectuals say can't be done!

So be like a little child and anything wonderful can happen.

More parts of this shortly.

Here are some links I greatly encourage you to watch about raising children. They are not that long, but I have viewed them recently and found them excellent, very unusual and inspiring!

[Don't Ruin Their Process | Ps. Loran Livingston](#) a mind-boggling

message about how we should view raising our children. What a wonderful Pastor this man is! (12 minutes)

[Every Christian Parent Needs to Hear This Before It's Too Late || Pastor Loran Livingston](#) This is a four minute sermon clip that should change your life.

Children are a mission field in themselves!

In so many countries of the world today, their greatest problem is their children. What they fail to realise is that the world of

tomorrow is what the adults of today make it, according to what they choose to give or not to give to the next generation! Capture the youth and you've conquered the future!

'Train up a child in the way he should go' the Bible says, 'and when

he is old he will not depart from it.' **Proverbs 22:6.**

We need to mould their minds and educate them and inspire them and encourage them, most of all we really need to build their faith.

Children are the most sincere people in the world, and they're at the age of malleability when they can still be bent and moulded. It's an age of choice, and age of decision. It takes time and patience and understanding and lots of real love to reach them, but that's actually when most people accept the Lord.

'Open the door for the children, tenderly gather them in, in from the highways and hedges in from the fields of sin. Open the door for the children, tenderly gather them in'. For of such is the Kingdom of God!
Mark 10:14.

KILLING BABIES

Now, seeing how much God loves babies, since they are His Creation and He has breathed into them their eternal souls, it stands to reason, that God's arch enemy Satan, Lucifer, and his third of the spiritual unseen world of angels, HATE BABIES AND WILL DO EVERYTHING THEY CAN TO KILL THEM whenever and wherever he can.

Perhaps we have not yet understood how vicious, truly vicious the devil is and how much this is one of his favourite activities. We see this often in the Bible. Here are a few examples:

Herod orders all babies in Bethlehem under two years old to be killed .

Herod Kills the Children

Detail from Guido Reni's Slaughter of the Innocents, painted between 1611 and 1612.

Matthew 2: 16 Then Herod, when he saw that he had been tricked by the wise men, became furious, and he sent and killed all the male children in Bethlehem and in all that region who were two years old or under, according to the time that he had ascertained from the wise men. 17 Then was fulfilled what was spoken by the prophet Jeremiah:

18 "A voice was heard in Ramah, weeping and loud lamentation, Rachel weeping for her children; she refused to be comforted, because they are no more."

Pharaoh Tells the Midwives to Kill All Hebrew Baby Boys

15 Then the king of Egypt told the Hebrew midwives, whose names were Shiprah and Puah, 16 "When you help the Hebrew women in childbirth, look at the child when you deliver it. If it's a boy, kill it, but if it's a girl, let it live."

17 However, the midwives feared God and didn't obey the king of Egypt's orders. They let the boys live. 18 So the king of Egypt called for the midwives. He asked them, "Why have you done this? Why have you let the boys live?"

19 The midwives answered Pharaoh, "Hebrew women are not like Egyptian women. They are so healthy that they have their babies before a midwife arrives."

20 God was good to the midwives. So the people increased in number and became very strong. 21 Because the midwives feared God, he gave them families of their own.

22 Then Pharaoh commanded all his people to throw into the Nile every Hebrew boy that was born, but to let every girl live.

Moloch (also spelt Molech)

Throughout Bible periods in the Old Testament, certain pagan gods required the sacrifice of children to them. Moloch, a primarily

Canaanite god, was sometimes made of brass or bronze. Some believe that inside this large stature was a fire or oven burning. Worshippers were required to offer their children up to the stretched out arms of Moloch. A lever, operated by a priest transferred the child or baby into the gaping mouth of the 'god'. The living baby was then fed in to the body where the furnace was burning and died there. Other people believe that children were killed this way but simply by fire on an altar.

Today's examples. In today's world of secret societies, which usually involve all kinds of people at the highest level of the human 'food chain', it is reported that adherents of certain elite groups regularly attend child killings. These are children who have been abducted and kidnapped from among the general population. There is little hard evidence about this, but when you can find it through USA Law Enforcement sites like FBI and State Police sites you can begin to see the prevalence of this. (A first step link is given below.)

Babies are abducted for similar purposes across other countries, like Uganda for example.

In Biblical times, having babies was considered a wonderful thing for the most part. A woman not bearing babies could be considered 'not blessed by God, to say the least. It seems Sarah, Rebecca, Rachel and Hannah all went through this desperate situation. In ALL cases they later had children!

Genesis 30: 1-2 And when Rachel saw that she bare Jacob no children, Rachel envied her sister; and said unto Jacob, Give me children, or else I die.

2 And Jacob's anger was kindled against Rachel: and he said, Am I in God's stead, who hath withheld from thee the fruit of the womb?

(Rachel eventually conceived and bore Jacob two sons, Joseph and Benjamin)

Because Michal, the daughter of King Saul and now the wife of King David, mocked her husband, the Lord cursed her and she never had children. In her case it was a curse or act of God. (2 Sam 6)

ABORTION

There are approximately 300,000 abortions annually in the UK now (about 822 a day here), and more than 600,000 in the USA annually. Across Europe now there are approximately 1.5 million abortions annually. Apparently 73 MILLION BABIES are killed each year globally!

Now, let's go back to two day old baby Thomas at the beginning of this article. He was very fortunate to make it through his mother's womb and actually land on the earth. If he had had a confused or ungodly mother, she could have legally had him dismembered and ripped apart inside her womb the day before he was due to come out. Before his slow death, he would have experienced a lot of pain and tried to scream, before he died an untimely death. 73 million of babies are killed this way or earlier in the cycle of pregnancy each year as we saw above, which is about 200,000 a day, or 8,333 every hour!

A very few babies are born alive even after the abortion procedure.

They are usually then killed using certain drugs, one of which is potassium Chloride, the third drug used to execute criminals on death row in the United States. Sorry, I find this too gross to go into, there is a link below.

KILLING THE MESSENGERS

So we have understood how evil the devil is, and how not only he, but all the humans he can trick, deceive or influence to join with him in his mission of killing as many of God's babies as possible.

War is another way, famine and the deliberate annihilation of children and babies that we have seen in Gaza. Upwards of 20,000 children and babies have died in less than three years.

Yet it is not enough to just kill babies through various means, you have to also target the messengers of God or other righteous people who stand up and rail and rebuke such actions of such evil people and spirits. Left wing and woke people and organisations actively target such godly people and in some cases are successful in physically killing them. This has been termed the 'Assassination Culture' by Megyn Kelly. "[Assassination culture" comes to the UK with the murder of conservativ...](#) | TikTok

Closing

I think it should behove us to have

some prayer and reflect on the fact that these two opposites we have in society, that is Loving babies or killing babies, are completely polar opposites. People's brains and I would say these are by far the majority, have been fried to believe that killing babies is a perfectly acceptable thing.

Wherever you are in the world, don't accept this, and don't just think such people are 'good' in any way. Jesus said that Broad is the way that leads to destruction and many are they who go in it.

The prevalence of all this and its ongoing increase is yet another sign of the very last days.

Take a stand for Jesus and His life giving Words on this subject. Amen.

God bless you with a good new week!

another brilliant and shocking video by dear brother Akkad about how the leftists and Islamists and the woke kill the messengers of God. This has just happened in the United Kingdom last week.

This excellent evangelist often preaches against abortion. He has predicted the destruction of England, in part because of the sin of abortion.
